MUR # 7458

I believe a violation of the federal election campaign laws or FEC regulation has occurred regarding Congressional District 8 for the State of Arizona.

The Debbie Lesko campaign and the Arizona Republican Party (AZGOP) in Arizona's 2018 CD #8 special election primary, special election general, and now in the general primary have failed to file any kind of report that the AZGOP has been providing office space at their office on Bell Rd. and 99th Ave. in Sun City, Arizona (West Valley GOP Office) to the Lesko campaign. The AZGOP has/is providing phones, internet service, floor space, AZGOP staff support, sign installation, and food for volunteers. The AZGOP has/is also providing their advanced database to the Lesko campaign. No in kind or cash payment by the Debbie Lesko campaign and the AZGOP have been filed with the FEC except for a mailing. None for the special election earlier this year and not for the current usage.

I attended a meeting on July 31, 2018, and saw first hand the partitioned area set-up for the Lesko Campaign at the West Valley GOP Office. Also, on August 2, 2018, I received a phone call from \_\_\_\_\_, a Hunter Griffiths, who identified himself a political director for the Debbie Lesko's campaign. During our conversation I asked if they had an office at the 99th Ave location. He told me that they indeed lease space for the Lesko campaign to use.

Debbie Lesko @ DebbieLesko used her twitter account to say the following..

Signs are being delivered all week! If you want yours sooner, stop by my campaign office at 10050 W. Bell Rd #50, Sun City, AZ 85351 and pick it up today?

This completes my filing.

Respectively submitted,
